

COURSE TITLE: Concert Choir Period 1 - Mixed

Level of Difficulty	Estimated Homework	Prerequisites
Moderate	0-30 Minutes	District: Audition Required Department Suggestion: Audition Required

Course Description:

Concert Choir consists of mixed voices that learns and performs intermediate to advanced level choral music of varying styles throughout the school year. Performance venues are not only at Newbury Park High School, but also at other sites, both local and throughout the country. Each year the choir travels to one choral competition that requires an overnight stay and extended travel for educational purposes and academic enrichment. This class is unique because it is a performing group, an academic class, and a co-curricular activity all in one. Because of this, there are many forms which must be signed, and policies that must be followed. Concert Choir is a yearlong class and students and parents should realize that responsible commitment for the entire year is expected and that budgets are calculated upon that commitment. Concert Choir meets every day of the school year, period 5.

The progression of Ensembles for NPHS choral is as follows:

Freshmen Tenors & Basses – Concert Choir Period one

Freshmen Altos & Sopranos – Women’s Ensemble

Sophomores, Juniors, and Seniors – Any of the choral groups with the exception of Chamber Singers (Juniors and Seniors only)

Chamber Singers – Juniors and Seniors with concurrent enrollment in period one Concert Choir (mixed)

Men’s Chorus – Open to all men regardless of ensemble
